One of the events of the season in hockey circles takes place on Cass Square this evening, when the Sydenham representatives and the Hokitka Club try conclusions, and a very exciting game is anticipated. The following will represent Sydenham Pascoe, Abra, Chambers, Barritt, Snell, Throp, Jones, Guinuese, Ballinger, Chappell, and Hill.

The social tendered to the Sydenham Hockey Club passed off very successfully last evening, and it was admittedly one of the best functions of the season. Miss Heron supplied the music in her well known style, and Mr J Breeze, jun, had charge of the floor and acquitted himself in his usual creditable manner. The extras were supplied by Misses Kidd and Briggs, and were highly appreciated. During the evening the Sydenham Club contributed two songs with full chorus, entitled "Le Boo" and "New York," which were highly applauded. At the close of the social cheers were given by the Sydenham Club for the ladies, with musical honours.
